Dear Mr. Mathavadas,

I have returned separately
the file about the visit of H.H. the
Maharaja of Benares with Dwar's
order. You sending for your
personal Mr. Theambo Chetty's
letter to the Dewan on the same
subject. I Dewan's reply thereto.
The draft notification sent by
Mr. Theambo Chetty - would have to
be modified if necessary on
receipt of his reply
As regards Bangalore

Could you kindly look up
forwards papers and see if
it is necessary to issue a
notification? Also a list
of places to be visited by His
Highness may be being for
preparation. It would probably
be better to prepare a detailed
programme for His Highness' two days
stay at Bangalore and send a
copy to Mr. Thambiah Chetty

Yours sincerely
M. S. Anandaramaiah

Camp: Madras,

6th January 1928.

My dear Mr. Thumboo Chetty,

I have your letter No. 1144 of the 4th instant, about the public reception to be accorded to His Highness the Maharaja of Benares at Mysore.

The draft notification you have proposed is all right, except for one point about which I have some doubt. I do not think it is really necessary for the Municipal Councillors to receive His Highness at a special pandal in the Carzon Park. I think it would be enough, and save much expense too, if the Municipal Councillors ^{here} ~~are~~ also present at the reception at the Railway Station. I would, therefore, suggest the separate reception by the Municipal Councillors being dispensed with, if His Highness has no objection.

Yours *(Hto)*

As I shall be at Bangalore on the 17th, I shall be glad to receive His Highness on arrival at the City Station, the Chief Secretary to Government, the President and Commissioner of the Municipality being also present. As the arrival will be private there is no need to fire salute of guns. I shall have a list of places His Highness may visit and make arrangements for the party to be taken round.

Yours sincerely,

B) M. M. I.

THE PALACE,

MYSORE.

4th January 1928.

My dear Mr. Mirza,

As suggested in your D.O. letter No.2621 dated the 31st December last a telegram was sent to the Private Secretary to H. H. The Maharaja of Benares and a copy of his reply and that of my reply thereto are sent herewith for your kind information.

Under orders I have sent draft Notification relating to the public reception to be accorded to His Highness the Maharaja of Benares at Mysore to the Chief Secretary for necessary action being taken with your approval. The arrangements proposed therein are exactly similar to those made when H.H.The late Maharaja of Travancore visited Mysore. I shall be obliged if you will also kindly give necessary instructions to the Officers concerned in regard to the reception to be accorded to His Highness of Benares at the Bangalore City Railway Station although the arrival there will be private and make a list of places of interest which he may visit in Bangalore.

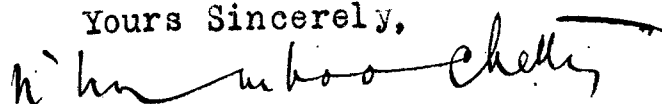

- 2 -

When His Highness visited Bangalore in 1905 the President of the City Municipality and one of the Secretaries received him at the Railway Station.

A copy of the arrangements to be made at Bangalore may kindly be sent for His Highness' information.

A copy of the revised programme is sent herewith for your kind information.

Yours Sincerely,

Amin - ul - Mulk

Dear Mr. Madhava Rao,

The Dewan has now decided to leave here on Sunday (8th inst.) morning by road. He leaves about 9 A.M. and will reach there by about 5 or 6 P.M.

As regards the programme for His Highness the Maharaja of Benares, it is not quite necessary to prepare any elaborate programme. It would appear His Highness has only ~~has~~ afternoons free. Only one or two big hospitals and the Sandal Oil Factory may be visited in the afternoons, the evenings being kept free for drives round the City etc.

The Dewan will probably proceed to Mysore on the 18th or 19th.

Yours sincerely,

Copy of a letter No.295, dated November 24, 1927, from the Chief Secretary, Benares State, to the Political Agent, - Benares.

---:oOo:---

I have the honour to state that His Highness the Maharaja intends paying a visit to Mysore in January next. He will visit Calcutta and Madras enroute. After finishing the Mysore State he proposes to visit the old ruins of Vijayanagar, Bijapur and the Ajanta caves which are situated in Hyderabad Deccan. He may also visit Datia on his way to Delhi, where he intends to attend the Chiefs' Conference from the 20th to 24th February next. As at present arranged, he will leave Benares on the 5th January, 1928 and return after paying a visit to Lucknow and Allahabad on his way from Delhi about the 28th of February next. While in Calcutta and Madras he would very much like to call on Their Excellencies the Governors. I shall later write to the Private Secretaries to Their Excellencies direct and fix up engagements. It is His Highness' wish that on the occasion of his visits to Calcutta and Madras he may have a formal reception at the Railway station but his departure will be private except that the salute will be fired at departure too.

I am enclosing herewith a copy of the provisional programme of the tour and shall send you the final as soon as it is ready.

His Highness will also feel grateful if facilities could be afforded to him by the Government officials at Vijayanagar and Bijapur and an official of the Archaeological Department who could explain things could be deputed. It will facilitate matters very much if the names and designations of such officials were communicated to me so that I could correspond with them direct and save the time and correspondence through different channels.
